Unique Tailor Made Experiences...

Cycling

A gentle pedal or a full blown adventure, a beautiful lodge makes a thrilling setting for a cycling vacation or just a pleasant one-off activity to compliment your luxury lodge experience.

Whether you're interest is cruising around a wine trail, exploring a coast road past beaches and seals, or cross country cycling along a disused railway route, the lodges have great options for you to enjoy.

Hiking & Walking Vacations

Separated from the rest of the world for millions of years, New Zealand retained ancient forests and unique birds. Couple this with the most spectacular scenery on earth, and it is time to get off the beaten track.

Private guides can introduce you to the wonders of New Zealand's walking trails or simply stroll alone in the lodge grounds before dinner.

Wilderness & Wildlife Vacations

New Zealand has an exceptional range of wildlife, not least our unique birds - several species of penguin and albatross, the elusive kiwi, wild turkeys and crazy parrots. Swim with dolphins, watch the whales and admire the seals sunning themselves.

The lodges have access to special experiences allowing visits to experience our wilderness and wildlife.

Fishing Vacations

From the rivers to the lakes and out to the sea - experience world class fishing vacations.

Whether it is the world's finest wild Brown Trout or the famous Taupo Rainbows, the salmon or big game, superb fly fishing or light tackle spinning, the spectacular environment will exhilarate you, the new techniques required will challenge you and the rewards can be fabulous.

Golf Vacations

It's no surprise that New Zealand is one of the world's sought after golf locations. After all, there are more than 400 courses generously peppered throughout the country, offering beauty, diversity and a unique New Zealand golf experience.

A number of the lodges of New Zealand have either their own world class course set in outstanding locations or are close to some of New Zealand's premier courses and golf resorts.

Adventure Holidays

If you're looking for excitement, New Zealand is the place. After all, this is the country that invented the inboard jet engine, bungee jumping and zorbing.

Take a helicopter from the lodge and land on a glacier or peer into a volcano, take the plunge with white water rafting or combine a hiking-jetboating-scenic flight into the wilderness. Take the helm of a sailing boat or the handlebars of a Harley.

Unique Tailor Made Experiences...

Skiing & Snowboarding

New Zealand's winter brings snow to the mountains where ski resorts offer uncrowded slopes and varied terrain with sensational views.

Heli-skiing takes you into the mountains away from the ski resorts where fresh tracks are followed by a gourmet picnic lunch.

A full range of winter sports is on offer including glacier hikes, cross country skiing, ice skating, snow mobiles and snow shoe hiking.

Gardens & Heritage Tours

Maori cultural experiences, Art Deco tours, picturesque classical gardens, rambling cottage gardens and vistas of native plants offer a delight to the senses and deeper understanding of the diverse New Zealand experience.

Lodges of New Zealand bring together the varied influences upon the country with unique and authentic experiences, off the beaten track, to be enjoyed in tranquility.

Corporate Retreats

Board meetings and incentive rewards, team building or client entertaining - the lodge's attention to detail and stunning location will lift your corporate event from the ordinary to the outstanding.

On site facilities and experiences cater to every preference for relaxation and recreation.

Wineries & Cuisine

Great wines and fine cuisine go hand in hand with a lodge stay but take the extra step and visit the wineries, meet the wine maker over dinner or sample local seasonal fare.

Some lodges have their own vineyards, others farm their own produce. Foodies and wine lovers will be enthralled by the Wine & Food experiences offered by the lodges.

Wedding Venues

Lodge boutique wedding venues for just two special people or their friends and family too.

Make a lodge wedding a unique venue with stylish settings, fine cuisine & wines, gracious hosting and luxurious accommodation, photographs in the gardens, or with the backdrop of the ocean, a forested hillside, or a mountain range make a lodge wedding a truly memorable occasion.

Honeymoon Vacations

After the joy of the wedding day comes the special time you spend together on honeymoon - for a honeymoon vacation that will leave you with memories to last a lifetime, choose one of the Lodges of New Zealand special honeymoon packages.
